Evangelism – Back to Church Sunday Aquinda Toppin demonstrated the equipment for this project. The event will be in the Autumn, and we will have more on this later.

The new Senior Warden will be Bonnie Claren, and we gave her a round of applause because we know how well she has performed in the past.

Line items offerings on the Treasurer's Report were discussed and by motion Aurora suggested that Hispanic and English offerings should be combined. Bonnie seconded the motion and it passed unanimously.

The Treasurer's report was offered and Bonnie made motion, and Carmine seconded to approve the income and expenditures. The motion passed unanimously.

Father Orlando led us in a closing prayer

Respectfully Submitted
