Presents
PERSPECTIVES OF CHRISTMAS
Sunday, Dec. 13th
4:00 P.M.

In this original musical drama, the story of the nativity is told from the different perspectives of those that were there.

Listen to an older Mary and Joseph as they reminisce about their journey to Bethlehem. Then the Innkeeper tells his side of the story. Hear Simeon and Anna sing of the promise from God they had been waiting for.

Rejoice with the Wise men and Shepherds as they proclaim the birth of a king; The King!

This drama is a presentation by HIS MAJESTY'S MINISTRIES, a full time Christian performing arts ministry that travels the world presenting original dramas that tell the story of Jesus.
